2011: LAND LAND – The seasons of Denmark through landscapes conveyed by 8 paintings, 8 poems, 8 songs and 8 short films - and a 30 min. documentary "BagLAND", which tells about the whole creation process. The starting point is Carsten's major landscape paintings (done as decoration for the canteen in Jyske Finans 2005) - all accompanied by his poems. Musician and friend Kristian Lilholt was inspired by these paintings and poems and composed music and song for it. Later came Kim Søgård and created the short films. From 2005 - 2011 and with financial support from Arbejdernes Landsbank - the cross-artistic "LANDBOX" was created and realized.
2012 - 2015 large LANDlive concerts were performed in music houses across the country.
